Train up a child in the way he should go: and when he is old, he will not depart from it.
Proverbs 22:6

MISSION

To provide a program of Christian ministry and outreach to the families and the children involved

PURPOSE

We believe each child is a gift from God and should develop to his/her full potential. Therefore, we focus on all areas of development - social, emotional, physical, spiritual and intellectual, without emphasizing any one area over another. We strive to create an atmosphere where children are guided into new experiences; ones that show the joy and wonder of learning, and where the children are accepted and loved for who they are. We invite you to come and experience a place where children can be children who are led by enthusiastic and loving teachers.
